

HEERF II Selection Criteria

L Makeup Institute (LMI) equitably distributed HEERF II funds to enrolled students. We took the payment period (0 - 300, 301 +) with the lowest EFC to fairly award HEERF II funds. Students who did not apply for FAFSA but were enrolled are also considered for the HEERF II award. All students were affected by the pandemic, which is part of the rationale for granting the funds.

Students must sign the HEERF II Authorization Consent Form authorizing the grant funds to be applied towards student outstanding tuition and fee obligations to LMI. Without that authorization, funds will have to be given to the student.

HEERF II Award amount: \$47,424.00

Number of students awarded: 52
